The family restroom will be fully handicap accessible with a 5' turn around, space next to toilet for transfer from wheelchair, ADA compliant shower stall with seat, sink with open space underneath for wheelchair access, and fold up baby changing station. All areas to have baseboard heating elements. The building will be located on the east side of the Eddy County Fairgrounds near the campground portion of the fairgrounds. The fairgrounds are used for various events, such as the Annual Steam Threshers Reunion, 4-H Achievement Days and meetings or events, weddings and other special events.

It was suggested to look into having in floor heat vs. baseboard heat. The Central Dakota Steam Threshers are partnering with Eddy County to cover the expenses of the project, with funding and in-kind contributions.
